Sir,

Grant of site Nos 126 & 127 in the new extension at Kolar for the construction of the Brahmin Hostel at Kolar

I have the honour to state that the Hon Secretary, Brahmin Vidya Sangha made a request to the Municipal Council Kolar grant two sites in the extension of Kolar Town for the construction of a Hostel Building for the benefit of the poor boys of Brahmin community The President reports that at present the hostel is being run in a rented building in the town It is seen from the letter of the Hon Secretary of the Sangha that Government have been pleased to sanction grant for its maintenance and that the institution holds in reserve a sum of Rs 5000/- for being used for the construction of the building This subject was considered by the Municipal Council at their meeting held on 30-5-1947 and they have resolved to grant two sites measuring 40x60 sq ft which are of the same dimension as those proposed to be given to Balija Hostel free of cost (sketch vide A5 L R 97/47-48). The President reports that the adjoining sites have fetched Rs 1250/- in open sale Intermediate College has been started afresh from this year in Kolar Town and the strength of the hostel is likely to increase and it is necessary that the institution should have a building of its own I request you kindly to obtain sanction of Government to the resolution of the Municipal Council to the free grant of the two sites referred to above as they are required for construction of a hostel building to house the poor students of Brahmin community and as the proposal made falls under Section 38(2) of the Municipal Act

I have the honour to be,
Sir,
Your most obedient servant,
